

'round town

with Betty Allen...

On Saturday, all of us will remember a Dec. 7 of several years ago and our minds will flash back to what we were doing when we heard the news and how we felt about it... then we will go on to think soberly and with awe of all that has gone since.

When the Ralph Hydes were in Southern California for the Thanksgiving holidays they had a good visit with Dr. and Mrs. W. I. Merrill who wanted to hear all the latest news about Campbell and Campbell people.

There is an enthusiastic crowd on Monday and Wednesday evenings at the High School playing badminton under the auspices of the adult education classes. There's still room for a few more, I hear.

Had a perfectly wonderful idea in the middle of the night last week. Why not develop a chemical which would coat windows so that occupants of houses could see out but no-one could see in? I suppose the manufacturers of window shades and venetian blinds would veto the idea which will die a-borning, I'm afraid.

The Congregational Church bazaar on Tuesday brought home that always-amazing fact that Christmas is just about here. The women who decorated the church rooms did a festive job which carried a real holiday feeling, not the least of which was the woody odor so poignantly reminiscent of Christmas. Lots of originality and skill was shown in the gay and practical gifts offered for sale. I found a black velvet penguin whose flippers move appealingly. Altho he is destined for a favorite toddler, it's going to be a wrench parting from him.

Incorporation-minded Campbellites can take a practical hint from Los Gatos where bicycle riders must purchase an annual license as they do in many municipalities. Among the restrictions regarding bicycles is the order permitting no riding on sidewalks, except children under ten, and then not in front of stores.

Read this sentence: "Finished files are the result of years of scientific study combined with the experience of years." Now count aloud, only once, the F's in the sentence. How many are there?

The old saw; "history always repeats itself" certainly worked with Jack Murdock as far as his forgetfulness with cars goes. Some time ago his absentmindedness was commented on by a San Jose paper when he walked off and left his car motor running for four hours--well it seems he drove his car down on Campbell Ave. Sunday while he did some extra work. When he finished he trudged all the way to his Budd Ave. home, completely forgetting he had the car.

I've never tried this recipe but Mrs. Rose Hanger, who turned it in for the Methodist Church WSCS cook book, "Kitchen Wisdom From Your Campbell Neighbors" says it's guaranteed to work.

SCRIPTURE CAKE
The proper ingredients will be found by carefully following the recipe here given:

Campbell Odd Fellows To Be Hosts At Meeting

Next Thursday evening, Dec. 12, Morning Light Lodge of Odd Fellows of Campbell, will be host to more than five hundred visiting Odd Fellows from about fifty lodges throughout the coastal area from King City to San Francisco and Oakland, the occasion being the official visit of the Grand Master of the Order, Harry B. Dahlem of Pasadena. Accompanying the Grand Master will be nearly all of the State officers representing the three branches of Odd Fellows. The official visit has also been made the occasion of a District meeting and monthly caravan.

Escorting the Grand Master will be more than sixty members of the Patriarchs Militant branch of the order, in full uniform, headed by Brigadier General C. P. Becker and Major S. S. Seaton, Department aide.

The lodges of this area will honor the Grand Master by presenting to him the largest class of initiates ever to be taken into the order at one initiation. Nearly a hundred men will be initiated by a team composed of the Past District Deputy Grand Masters of District No. 20, comprising the lodges of Campbell, Los Gatos and San Jose, under the direction of Charles Bishop of San Jose. Taking part from the Campbell lodge are the following Past District Deputy Grand Masters: Jack Murdock, T. A. Robinson, J. H. Bachman, Eugene Hodges and W. R. Coupland.

After the initiation, the meeting will be turned over to the present Deputy Grand Master, Conrad E. Hale, of San Jose, who will act as Master of Ceremonies, and present the Grand Lodge officials.

The local committee, appointed by the Noble Grand, S. R. Wirth, are Walter Silberbauer, Vernon Murty, Ray Gilpatrick, and Frank Livingston.

Because of the large attendance, the meeting has been transferred from the local Odd Fellows Hall to the High School gymnasium. It is believed that this will be the largest gathering of Odd Fellows, other than a State convention, ever to be held in Santa Clara County.

Legion Auxiliary Celebrates Second Birthday

An informal birthday party on Nov. 27 celebrated the second anniversary of the American Legion Auxiliary 596. Members of the unit were joined by Campbell Legionnaires for the ceremony of cutting the birthday cake.

At the business session of the meeting Mrs. C. E. Fagalde reported on the purchase of gifts for the Palo Alto Hospital veterans to send to their families and friends. Plans were also made for the unit to participate in the Poppy Poster Contest this coming year.

On Dec. 11 the last meeting of the year will be held and members will be entertained by the Foot-lighters who will present a Christmas play. Mrs. J. W. Knowles is in charge of decorations for the meeting.

KIWANIS CLUB MEETS

Visitors at Tuesday's regular Kiwanis meeting were Sam Field, guest of his brother, Carl Field; Mark Thomas of the San Jose club; Dr. John Mott, guest of Jack Murdock; and George Egling, guest of Laurence Hill. Members of the capella choir under the direction of Frank Triana furnished the musical program.

Lloyd Nelson To Open Sport Shop

Monday, Dec. 9, is the date set for the opening of Nelson's Sport Shop on Campbell Ave. unless the general strike in Oakland spreads to San Francisco and holds up the delivery of merchandise expected from the City.

The business will be housed in the new store building adjacent to Nelson Grain Co., and will handle all types of sporting goods. Featured will be a complete line of camera equipment with a fast film developing service and the stock will also include leather goods.

Owner of the new store is Lloyd Nelson, well known in Campbell. He attended Los Gatos High School and before entering the service was employed by Fuller Paint Co. During the war he served for three years and one day (that was a long day, he says) as a Staff Sergeant in the Finance Section of the Infantry. Much of his service was spent in the European theater.

In addition to sports, he has always been interested in singing and during the World's Fair in San Francisco, sang with Fred Waring's Glee Club. Nelson, his wife, and small son live on Parr Ave.

School Planning Money Awarded

The Federal Works Agency has awarded the Campbell Grammar School \$14,500 for planning the two new schools, according to William Henley, principal.

Under the Federal plan, as much planning for large schools as may be eventually needed, can be done, but the school will only have to pay for that planning which is actually utilized at the time of building.

A further advantage to the plan is the abolishment of interest in the repaying of the money.

Red Cross Appeals To Sewers And Knitters

An appeal to sewing groups within lodges and clubs, as well as to individual sewers and knitters is issued by the San Jose Chapter American Red Cross. A quota of 4000 items of clothing to help clothe the needy children of Europe through a cold, bitter winter, has been set for this area. "Red Cross on-the-spot research shows that millions of civilians lost all their possessions, are now living in unheated houses or caves. Children have been the innocent and helpless victims of the war and children's clothing forms our entire program," Mrs. C. L. Dick, co-chairman of productoin points out.

Cutters will be busy getting the materials ready the first week in December, and groups interested in including this needed sewing in their winter program are asked to contact Mrs. Dick through the San Jose Red Cross Chapter House, Columbia 2068.

Research on the utilization of waste winery products is being carried on by University of California scientists.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

American Legion Building Company Incorporated

Incorporation papers for the Campbell Post American Legion Building Company have been issued by the Secretary of State, Frank W. Jordan, and a certified copy has been filed with the County Clerk of Santa Clara County.

Directors for the first year are as follows: Rex K. Fuller, F. Wilbur Mitchell, Alvin Carter, James Peer, Carrie L. Harris, Henry W. Hoelling, Clinton Malone, Joseph V. Gomes, Clarence E. Fagalde.

The corporation is empowered to acquire real and personal property of every kind; to lease, sell, convey and re-convey real and personal property; to construct buildings and other improvements upon any real property owned or leased by this corporation; to make and execute any necessary contracts for the erection, repair, alteration or improvement of any such buildings or structures.

Martin S. Walsh acted as attorney for the Legion in obtaining the corporation papers.

Community Chest Reaches Goal

It took quite a while, but Campbell did it! During the past week additional donations were received for the Community Chest including a large check from the Pacific Gas and Electric Co., swelling the total well over the quota mark of \$4072.

Martin Walsh, director of the drive, says that Campbell is one of the few communities in the County to have made its quota.

Col. McBride Speaks At Church Service

By DUDLEY HERSCHBACH

"Thanking Is Not Thinking" was the subject of Colonel James L. McBride's sermon at the Methodist Church during a Union Thanksgiving service last Thanksgiving day. Members of the Congregational and Methodist churches attended the service, and their pastors, Robert Carlson and Lawrence Osborne, also participated.

Stating that "to be thankful is to be thankful", Col. McBride compared the first Thanksgiving with Thanksgiving 1946.

He gave the "differences" and "similarities" between them--the Pilgrims' starvation as contrasted with our prosperity and the fact that only one in twenty Americans understand the true purpose of Thanksgiving while all the Pilgrims did. Among the "similarities" was the Thanksgiving feast with President Truman likened to the Pilgrims' leader.

After touching on the world's political and moral problems Col. McBride summarized: "The only good news on this Thanksgiving day is this... It only looks bad, friends. It only looks bad". He then proved his point and completed the sermon with the prayer: "The public distrusts all plans but Thy plans, all promises but Thy promises of eternal peace."

Incorporation Election Set For January 23rd

Robert Agostinho Now Captain

Robert Agostinho, son of Mr. and Mrs. J. C. Agostinho, Campbell, has been promoted to the rank of Captain in the United States Air Force in Europe.

The "Golden State" soldier attended the San Jose State College and Stanford University where he received his A. B. and M. A. Degrees.

Upon entering the Armed Forces in August, 1942, he began his flight training. After serving at many Army Air Fields he received his commission as a 2nd Lieutenant in Ft. Sumner, New Mexico, in January, 1944. In July of the same year he was sent overseas where he was stationed at Chelveston, England, and Alconberg, England, during the air war in Europe. Capt. Agostinho now serves with the Foreign Clearance Section of USAFE, the organization that is policing the American Zone of Germany from the air.

Captain Agostinho wears the Distinguished Flying Cross and the air medal with five oak leaf clusters.

Seals Now Being Distributed

Residents of Santa Clara County, along with millions of others throughout the United States, Monday received sheets of 1946 Christmas Seals in their mail. The seals bring greetings from the Santa Clara County Tuberculosis Association and a reminder that the continued work of the association in fighting tuberculosis in this area depends upon the use of local residents' make of the Seals.

This will be the 40th annual sale of Christmas Seals in this country, and, according to Miss Margaret Twombly, president of the tuberculosis association, 2000 associations will conduct Seal Sales this year to raise funds for local and state tuberculosis control programs.

The 1946 Seal shows a lamp-lighter lighting his lamp against a starry blue sky and is symbolic of the returning hope of the world after the dark years of war. To commemorate the 40th annual sale, each sheet of Seals has a center insert of four special Seals bearing the likeness of one woman and three men who make out standing contributions to the first Seal Sale in 1907. They were Jacob Riis, Danish-born American who has been called "one of America's most useful citizens"; Miss Emily Bissell, social worker, of Wilmington, Del.; E. A. Van Valkenburg, newspaper publisher and editor; and Leigh Mitchell Hodges, newspaper columnist.

Local chairman is Mr. Martin Walsh.

CHRISTMAS PARTY SCHEDULED

The annual Christmas party for the members of the Methodist Sunday School and their parents will be held on Thursday evening, Dec. 19, at 7 o'clock. White gifts of food will be brought to the party for the children of the Fred Fintsch Orphanage. Christmas carols will be sung, followed by an hour of sound pictures and cartoons. Santa Claus will make his appearance after the pictures.

January 23 is the date set for the Campbell incorporation election. After more than 30 years of discussion, the matter will finally be brought to a vote and the registered voters among the approximately 3000 inhabitants of the proposed incorporation area will have a chance to decide whether they want to be a municipality or to remain under County jurisdiction.

Pastor Neimoeller To Speak In S.J.

Pastor Martin Niemoller, the Christian leader who preached against Nazi doctrine from his Berlin pulpit until sent to a concentration camp, is to visit Northern California with his wife under the auspices of the Northern California-Western Nevada Council of Churches, reports Rev. Abbott Book, executive secretary of the council.

Mr. Book says that Pastor Niemoller and his wife, who have come to America at the invitation of the Federal Council of Churches in America, the National Lutheran Council, and the Evangelical and Reformed Churches, will make several appearances in the San Francisco Bay area on Dec. 10 and 11. At 12:30 on the 10th at the Hotel Whitcomb, San Francisco, the Lutheran ministers of San Francisco are to give a luncheon for the Niemollers to which the ministers of all Evangelical Churches, together with their wives, are invited. At 4 o'clock on the 10th, Pastor Niemoller will speak to the student body of the University of California at the St. Johns Presbyterian Church in Berkeley. On the evening of the 10th, Pastor Niemoller will speak at the First Baptist Church in Oakland. At 2:30 on the afternoon of the 11th, the Council of Church Women will give a tea for Mrs. Niemoller at the First Presbyterian Church in San Jose. On the evening of Dec. 11, Pastor Niemoller will speak at the First Methodist Church of San Jose.

Mr. Book says of Martin Niemoller, "He is a Christian who has had the courage to live up to his convictions. Pastor Niemoller was a U-boat commander in the first World War and considered himself a loyal German," says Mr. Book, "but when he saw the evils of Nazi doctrine he spoke fearlessly against them from his Berlin pulpit. Both before and after he was placed in a concentration camp, where he nearly lost his life, he was urged to recant or to promise not to preach against the Nazis, but he refused. We are fortunate to have the opportunity to greet a real Christian hero."

WEST POINT VACANCY TO BE FILLED

A special examination, to fill a vacancy in appointments to West Point Military Academy, will be held on Jan. 21, 1947, Congressman Jack Z. Anderson announced today.

"I have been advised by the War Department of a vacancy at West Point, and the Civil Service Commission at my request has agreed to conduct a special competitive examination for the opening," Anderson said.

All letters of application from young men in the Eighth District who desire to compete, must be at Anderson's Washington office by Jan. 1, and should give the age and legal residence of the applicant.

As in the past, Anderson said, this and any appointment to West Point or the Naval Academy will be made on the basis of competitive examination.

In addition to voting for or against incorporation, the names of candidates for the elective officers will also appear on the ballot. These offices include five city councilmen, a city clerk, and a city treasurer as required in a city of the sixth class which Campbell would be.

To facilitate the nominating of these candidates the office of the District Attorney has given the Campbell Press a number of nominating petitions and anyone interested in nominating a candidate may secure one of these blanks by calling at the Press office in the IOOF building.

To nominate a candidate for office the nominating petition must include at least five and not more than ten signatures of registered voters residing within the proposed area. No person may sign more than one petition for the same office. One person may sign seven petitions, but they must all be for different offices. In other words, the same person may not sign two petitions for two different candidates for the office of City Clerk.

Nominations must be made by noon on the 14th of December and voting registration will also close on that day according to the County Registration office. All persons who did not vote in the last election held in November must register before that day if they desire to cast a ballot in the special election. Guy Farley will register residents in his real estate office on the corner of Campbell and Central, if they wish to avoid the trip to the County Registration office in the Court House.

For this special election all of the precincts within the boundaries of the proposed area and those precincts partially within will be consolidated into one and designated as Election Precinct A. Polling place for the election will be the IOOF Hall and ballots may be cast between the hours of 7 a. m. and 7 p. m.

Election officials selected for the special election are Mrs. Pauline Clark, Mrs. Ellen Lanphear, Mrs. Edna Smith and Mrs. Mary Grim.

On another page of this edition may be found the legal description of the boundaries of the proposed municipality.

Only ten days will elapse before the nominations will be closed so those interested in making nominations are urged to do so immediately.

EDITORIAL

The following guest editorial is written by an Eagle Scout and we feel it should carry a very real message to those parents interested in the welfare of their own children and other adults who have the welfare of the community youth at heart.

By DUDLEY HERSCHBACH
Scout Reporter

Everyone agrees that the Boy Scouts of America is a fine organization. It serves boys of all races, creeds, classes, and ages. The program includes Cub Scouting for boys 9 to 12, Boy Scouting for boys older than 12, and Senior Scouting for those above 15. Its activities not only give pleasure and knowledge to its members, but Scouting prepares them to become good citizens.

It develops boys physically, mentally, morally, and socially and gives them a chance to serve their community. Scouting and juvenile delinquency ought not to be mentioned in the same sentence.

Yet Campbell has only one Scout Troop, two Cub Packs, and NO Senior Scout units.

Campbell needs and should have more Scout units. With two fine schools and many churches there is no want for sponsoring institutions.

A few public spirited men are needed to supply the necessary adult leadership.

There will be no trouble finding boys!

What then is lacking?

Nothing. Nothing except a little effort to make Campbell a "Scout Town". A little community spirit and pride would pay huge dividends in future citizens.

Grammar School Notes

Miss Berge, teacher of a first grade class, is supervising her students in the following activities: Being an appropriate time, her class is studying their forefathers, the Pilgrims. They believe this is both fun and educational. The students can say numbers from one to seven and they know 35 words to add to their vocabularies.

Their Red Cross representative is Judy Ann Christon. The lieutenant is a boy who runs errands and does other numerous things. He wears a pair of gold wings. The lieutenant's name is Michel Burnes. Last, but not least, the latest arriving guests of the class are three caterpillars. They will break out soon from their cocoons.

—Wayne Martwick, low 8th 3.

HOME MAKING CLASSES

Most of the girls in the 7th grade sewing classes have finished their aprons. They have started making gathered skirts and some are making pleated ones.

The high 8th grade girls are making dresses. They will study color as soon as the dresses are finished.

The low 8th grade cooking classes are now studying girls' problems. The present cooking classes are studying salads and will study soups next.

—Irene Kimbriel, low 8th 3.

ORCHESTRA NEWS

The Campbell Union Grammar School orchestra is again being directed by Mr. Richard Gordon. This year there are 48 members. Twenty-five strings, 11 woodwinds, 10 brass, two pianos, and trums. A new instrument added is the bass viol.

On Nov. 8 there was a musical assembly given in honor of former orchestra members. The program consisted of Grammar School orchestra numbers: "Glory, Land and Honor", Bach; "True Blue March", Isaac; High School guest numbers: "Swanee River", a cello solo played by Shirley Courtney; "Andallucia", flute solo by Katharine Fuller; "Military Polonaise", a piano solo by Jeanette Gomes; "Long, Long Ago", bassoon solo by Courtney York. An item of unusual interest was a demonstration of the bassoon by Courtney York.

The whole orchestra was inspired by the presence of Ray Williams, an orchestra member, who was seriously injured in an automobile accident. However, he did not return to his class until Nov. 8.

The trio, Beverley Clawson, violinist; Mardel Sanders, cellist; and Joyce Klassen, pianist, played for the Campbell Woman's Club, Nov. 18. They played Negro spirituals and "In Tangier", both by Zamecnick.

—Mary Lou Cline, low 8th.

FIFTH GRADE MAKES GIFTS

Mrs. Foskett's room is making presents for their mothers and fathers. No one knows what it is. They are making Red Cross boxes for a boy and girl. Ned Gault has made a boy and girl yarn doll to put in the top of the box. The class is studying explorers and they locate places that the explorers discovered on the map. There are several girls that are interested in embroidery. They bring it to school whenever it rains and work on it during recess. They had some wood donated by Richard Kline for their fathers' Christmas presents. Mr. Ziegler's class is helping to cut the wood for the presents.

—Ray Williams, low 8th 3.

FOURTH GRADE

Mr. Davidson teaches the 4th grade. They are studying the Spanish people. Don Moody, John Pederson, Jimmy Merritt, and Frances Chaboya have made small figurines of oxen made from clay to go with a small wooden ox cart.

They have finished their mothers' Christmas presents, but they are a secret.

They are also learning how to write letters.

The class is fortunate to have Arthur Sutton in their room, for he plays the piano for them.

—Christina Sells, low 8th 3.

NEW CLASS OFFICERS

The low 8th in room 12, have just elected new class officers. We vote for the following offices: president, vice-president, secretary and treasurer. The old officers were Dave Teeny, president; Ray Williams, vice-president; Yoko Takaki, secretary; Barbara Enochs, treasurer. Our teacher, Miss Wilkinson, would probably be called an honorary member.

The class officers were elected by show of hands. The officers that were elected were: Ray Williams, president; Virginia Veitenheimer, vice-president; Mary Davidson, secretary, and Melvin Miranda, treasurer. These officers will hold office for nine weeks. The officers' main duty is to conduct the Good English Club.

—Judith Thrash, low 8th 3.

PUPILS AT MORELAND ENJOY WEEK'S VACATION

Last week, Nov. 25 to 29, the pupils of Moreland School were able to breathe a sigh of relief—they did not attend school.

Monday to Wednesday were Institute days, when the teachers took the place of the pupils.

The first day the Institute was held at the Roosevelt Junior High School in San Jose.

Tuesday and Wednesday, the next meeting was held in San Francisco.

Of course we all know what Thursday was, Thanksgiving Day, and Friday "was rest day", at least for some of us.

SCHOOL ACTIVITIES

The 8th grade is studying areas and dimensions of such figures as circles, squares, rectangles (trapezoids and triangles).

This project is in connection with the arithmetic class.

Our 7th grade arithmetic class has just completed the project on decimals. This included adding, subtracting, multiplying and dividing, as well as practical problems in which decimals were used.

Our basketball team is practicing for the Saratoga game this coming Friday.

The December meeting of the Moreland PTA was held Wednesday, Dec. 4, at the Moreland School cafeteria building. Mr. W. E. Robison, Boy Scout executive, discussed organizing a Cub Pack for Moreland School. Following his talk, slides of flower arrangements made by Miss Grace Bucknall were shown. Miss Bucknall is an outstanding instructor in flower arranging and her work is very beautiful.

This year alone, we have added 305,000 telephones

They're going in as fast as we are able to install them... the telephones needed on the Pacific Coast. In 1946 alone, we have already added more than 305,000 and thousands more go into service every month. But there is still a big job ahead.

Complicated switchboards, cables, dial equipment and even new buildings have to be built before everyone who wants a telephone can get one. This will take time because our progress is handicapped by shortages of materials and by the disturbed conditions throughout the country affecting manufacturers' output and our construction projects. Meanwhile you may be certain that we will do everything we can.

For it is our purpose in our huge expansion program to provide service for everyone who wants it just as rapidly as possible... better service than ever before... a more valuable service to every user. We are spending this year for gross plant additions an aggregate of \$130,000,000 which exceeds by \$55,000,000, or 73 per cent, our previous highest yearly plant expenditures in 1941 of \$75,000,000.

An ever-improving telephone service at the least cost consistent with good wages and working conditions for our employees and a reasonable return to the thousands of people who have invested in the business.

Grammar Unit Study Group

An enthusiastic pot luck luncheon to climax the sixth and final session of the Campbell Grammar PTA study group was held Thursday, Nov. 21, at the Congregational Church.

Mrs. Danna Thomas has been leading a most interesting discussion group on Character Education for the past six weeks. The class has been very well attended by as many as thirty young mothers. A woman was engaged to take care of the children so mothers with pre-school children were able to attend without confusion and worry. Mrs. L. W. Brown, study group chairman, presented Mrs. Thomas with a beautiful string of iridescent beads as an expression of appreciation from all those attending the conferences.

Following the pot luck luncheon the executive board which had joined in the luncheon, held its monthly business meeting to plan the December program and to make final arrangements for the rag drive.

The Drawing Power of the Ages

It is recorded in John 12:32,33 that Jesus said: "And I, if I be lifted up from the earth, will draw all men unto me. This he said, signifying what death he should die." His death on the cross was literally a lifting up, for he was nailed to it and lifted to an upright position on it above the earth according to Roman practice.

Jesus gives eternal life to him who comes to him (John 5:39,40), but Jesus certainly did not mean to teach universal salvation when he said he would draw "all" men unto him because he also teaches in Matthew 25:31-46 that there will be a final judgment in which some will go to eternal life but some to everlasting punishment.

The meaning of "all" in our text, John 12:32,33, is suggested by connecting Matt. 3:5,6 with John 4:1. Matt. 3:5,6 states that Jerusalem and "all" Judea and "all" the region round about Jordan were baptized by John, while John 4:1 shows that there were enough people left in Judea at the same time for Jesus by his disciples to baptize more than John. So "all" men to be drawn to Jesus by his crucifixion just means a great multitude. Friend, has the crucifixion of Jesus for your sins (Matt. 26:28) caused you to come to him through obedience to his will as revealed in the New Testament? (Heb. 5:8,9).

She was the first Negro singer to be invited to sing in the Library of Congress, Washington, D. C. She has sung in 47 of the 48 States of the Union, Mississippi alone not welcoming her because of her race. Dorothy Maynor's musicianship is exceptional. In high school she learned how to play the flute, the

oboe and the French horn, and in the university how to orchestrate, and to conduct. She has given deep study to French and German so that her diction is excellent. Her repertoire extends from Negro spirituals through the classics and romantic period, to operatic arias. Her superlatively beautiful singing has evoked such unusual praise as the following from the New York World-Telegram: "The girl's limpid tones were heard like angels' tidings. . . . If there are lovelier soprano sounds today they should step forward or forever hold their peace."

Ladies take note — Rachel has some adorable new bed jackets with pink, blue or white backgrounds and lovely decorations of tiny flowers. If you prefer solid colors, the all pink brushed rayon ones will please you. The long sleeved form-fitting flannel gowns with old fashioned high necks are the best looking flannel gowns I've seen. Also in nightwear for the ladies are two-piece balbriggan pajamas in pink or blue.

Speaking of pajamas, Benson and Jeffers have some cotton knits for boys in the popular ski style. If you are looking for sweaters, you will find them at this shop, and don't forget they have the extra large sizes, 44—46, in the slip-over long sleeved styles.

Are you gaining weight? Do you bulge in the wrong places? Don't let your figure make you look older. Try slenderizing with reducing treatments which you can get at the Clever Massage Studio. Open evenings from seven and all day Saturday and Sunday, business people as well as others may take advantage of this opportunity. If you have trouble relaxing, the massage and cabinet baths will help you.

Clothes hangers with animal figures should appeal to the youngsters as Christmas gifts. See the cute ones at The Dresser Drawer. There is also a good supply of socks for both boys and girls in all colors and up to size 10 1/2.

It's here at last!—the new miracle machine that does the dishes and washes clothes. It's the Thor Automatic Combination Washer now on display at Brand's furniture store. You can use it every day of the week. It makes tedious household tasks simple, and fits in any kitchen.

Good looking individual glass salt and pepper containers as well as glass salt and pepper shakers may be found at The What Not. The new glass paper weights which you shake in order to make the snow fall on an attractive snow scene, are always sold in a hurry. A boy and dog, snow man, and organ grinder and monkey are some of the gaily colored scenes.

Clark's are showing real Christmas stationery on which you may write your Christmas notes—red paper with white ink and red ink for the white envelopes. The same combination is available in green and white. Christmas cards, note cards, seals, wrapping paper, and ribbon are all to be found on Clark's help yourself table.

The new sealskin hand cream which has been so widely advertised serves as an invisible water proof glove. If applied before dusting, gardening or painting, sealskin protects the hands. You

may obtain it at Yreme's Beauty Salon. Another product which should interest you is Blansol color shampoo. This shampoo comes in nineteen shades and will bring out the natural color and sparkle in your hair.

White enamel diaper pails with covers are now to be found at The Campbell Hardware—now, if I could just tell you where to find the diapers! The hard to find dish pans are also on hand. Stop and see the new super carpet sweepers. They'll clean up your house in a hurry.

Inspired by the surroundings of early California, Sue Goodwin, artistic creator of Capistrano ceramics has produced some lovely pieces which may be seen at The House of Riches. The wall plaques with pockets can bring cheeriness into any room with growing plants or cut flowers. The Chinese figurines are artistic with delicate lines. Tall vases glazed on the outside and inside are guaranteed not to leak or sweat.

Something new has been added. Campbell now has a restaurant with a smorgasbord. Visit the Tennessee Inn for the best in home cooking. You will enjoy the quiet atmosphere and the new variety of foods that make a smorgasbord so attractive.

ANNUAL CHILDREN'S FESTIVAL SCHEDULED FOR SATURDAY

The San Jose Garden Forum is holding its annual Christmas Festival for children at the Montgomery Theater, Civic Auditorium, San Jose, next Saturday, Dec. 7, at 2:00 p. m.

"Looking for Rainbows" is the theme of this year's party, and the program and arrangements will carry out the idea, with gaily wrapped little gifts; a beautiful Christmas tree, and best of all—a gorgeous rainbow ballet presented by 80 talented children, in shimmering new costumes, comprising all shades of the rainbow, spangled with gold and silver stars, and accompanied by gay music and Christmas songs. Mrs. Dorice Andreuccetti, who is directing the children's dancing, says that this year's performance, in point of beauty and perfection of detail, will eclipse any previous

effort on the part of her pupils. Rehearsals have been in full swing at the studio during the past month, and all are looking forward to the joyous occasion.

Children from the Home of Benevolence, the San Jose Day Nursery, the various parochial schools, and practically all nations, will be represented in the audience. Reservations have been closed.

Dr. Mark Rifenbark, rector of Trinity Episcopal Church of San Jose, will open the program with an invocation. Music will be furnished by a trio from the San Jose High School orchestra, comprising the violin, piano and cello.

Mrs. Bertha M. Rice will preside during the afternoon. Patrons of the San Jose Garden Forum will be honored guests of the occasion.
